RE: Body Art Practitioner Permit – Jehzel Ortiz Rosado

---

Jehzel Ortiz Rosado submitted an Application for a Body Art Practitioner Permit on March 29, 2024. This application is for a permit to practice at Benchmark Tattoos at 1340 Massachusetts Ave. This application is sought to practice tattoo. The application was reviewed in accordance with the Town of Arlington Rules and Regulations for Body Art Establishments and Practitioners. Upon initial review, it appears that the application was complete, insofar as it contains the required elements.

The application demonstrates two-years experience through his past and current Licenses for Body Art within the state of Florida. Mr. Ortiz Rosado is currently licensed to practice in Polk County, FL through August 31, 2024.

Included in this packet are the following materials for the Practitioner Application.

1. Body Art Practitioner Application
2. Driver License
3. Anatomy and Physiology Certificate
4. Current First Aid/CPR Certificate
5. Current Bloodborne Pathogens Training
6. Past and Current Licenses to Practice Body Art dating since May 2017

**ISSUED: 10/17/2022**  
**Application Number: 42464**

**FOR THE BOARD OF HEALTH**

  
Sheryl Ball, Health Director

This contract is to define the responsibilities and obligations of all involved parties as well as the length of term of the apprenticeship.

This contract is between Stephen King (Business Owner, Mentor), and Erik O'Keefe (Apprentice). No other parties may dictate terms or impose obligations on either party involved.

The apprenticeship is to begin on Oct. 13, 2022. All obligations and terms are to begin on this date.

The term of the contract is dependent on the time necessary to complete the required training and experience put forth by the Health Department of the Town of Acton. The apprentice must meet the Health Departments requirements for a Body Art Practitioner Apprentice License and keep all necessary licenses and certifications current during the entire apprenticeship. The mentor will be required to provide the necessary training for the apprentice to complete his/her apprenticeship in a timely manner. Training will be provided at this proposed schedule:

1. Basic training in sterilization of instruments and sanitizing work environments. Basic operation of tattoo equipment. Basic understanding of piercing equipment. – To be provided within the first 3 months of apprenticeship.
2. Observation of the tattoo procedures and (optionally) body piercing procedures.  
- To be completed within the first 6 months of apprenticeship.
3. Training in proper basic tattooing techniques of outlining, shading and coloring, as well as (optionally) basic body piercing techniques to begin upon completion of Health Departments required 75 hours of observation and 75 hours of work station preparation and clean-up. Basic body art training should be completed within 1 year of its initiation.
4. Training in proper advanced tattooing techniques of outlining, shading and coloring to begin after the apprentice has mastered basic tattooing techniques. Advanced body art training should be completed within 6 months of its initiation.
5. The apprenticeship is completed when all training is complete and the apprentice has completed the Health Department's required number of procedures (150) or hours (500).

The apprentice will recruit his/her own initial clients when first beginning to perform tattoos on the skin. The apprentice will only work on clients approved by the Mentor. During the first 6 months of the basic body art training period, the apprentice shall obtain his/her own tattooing equipment. This will include but is not limited to tattoo machine(s), power supply, all necessary cables/switches, a basic set of tattoo inks in a variety of colors, and either a set of tattoo needles (single use) and tubes (single use or reuseable), or a set of single use cartridges with the appropriate grip, in assorted sizes.

Duties expected to be performed by the apprentice will include general cleaning of the shop, answering phones, assisting customers, making cash and credit transactions, sanitizing and sterilizing of tattoo and piercing instruments, running monthly spore testing of the autoclave, workstation preparation and clean-up, maintaining and updating the shop's social media and website, keeping track of inventory of supplies and retail merchandise, assist in preparing designs for customers, and maintaining and improving his/her own artistic skills.

The apprentice will maintain a journal in order to log hours contributing to the completion of Town of Acton apprenticeship requirements.

The apprentice will arrive at work on time, will appear clean and presentable, and will behave in a professional manner.

The apprentice is required to sign an agreement of non-competition and is expected to follow the requirements therein. The terms of the Nondisclosure and Noncompetition agreement will remain in effect even if the terms of this contract are not met.

The apprentice will work the agreed upon days/hours indicated below:

Tues. TBD Wed. TBD Thurs. TBD Fri. TBD Sat. TBD

This schedule is subject to change pending agreement of both parties and at least 2 weeks notice. Time off is also pending agreement of both parties and at least 2 weeks notice. Repeated tardiness and/or absence can result in termination of the apprenticeship.

There is no charge for the apprenticeship. Instead, a deposit of \$1500.00 is required to be paid in full within the first 3 months of the apprenticeship. This deposit will be held in an interest-bearing savings account on the apprentice's behalf. Upon completion of the apprenticeship program and 1 year of full-time service at King's Ink as a licensed body art practitioner, the deposit plus interest will be returned to the apprentice. If the apprenticeship and following service is not completed, due to the apprentice quitting, failure to complete the requirements, or failure to maintain an adequate level of professionalism, a portion of the deposit will be withheld from the apprentice by the Business Owner according to the following schedule:

Apprenticeship Terminates:

Portion of deposit returned:

within 0-3 months of start	100%
within 4-6 months of start	75%
within 7-12 months of start	50%
within 1 year and completion of apprenticeship	25%
within completion of apprenticeship and completion of 1 year of service	0%

Upon completion of apprenticeship and 1 year of service 100% + interest

Dear Esteemed Public Health Workers and local Board of Health Members of Massachusetts,

We, the members of the Massachusetts Public Health Council, want to extend our deepest gratitude and respect for the exceptional service you provide to our communities in Massachusetts. Your unwavering commitment to public health stands as a beacon of hope and resilience for us all.

The array of public health issues you contend with is vast, from the opioid crisis to emerging diseases to managing the care of new immigrants. Your routine tasks, such as restaurant inspections, emergency preparedness, and fostering collaborations across jurisdictions, are fundamental to the health and safety of our communities. Alongside these responsibilities, you are still managing the ever-changing complications of Covid. Your dedication to these duties is truly inspiring.

We wish to acknowledge the immense contributions you make every day to the health and well-being of Massachusetts. The difference you make in the lives of those you serve is profound, and for that, we are eternally grateful.

Thank you for your steadfast dedication and for everything you do for the people of Massachusetts. Please know that your efforts are recognized, valued, and deeply appreciated.

With heartfelt thanks,

Commissioner Robert Goldstein and Members of the Public Health Council

## Fw: 1st MA Board of Health to Ban Artificial Turf fields

Thanks, Natasha!

I am enjoying the spring weather! Hope you are, too.

Maybe now that the Artificial Turf Study report is done, we might have some breathing room to start coordinating on two issues that are at the intersection of the BOH and the Conservation Commission: HABs (harmful algal blooms) and PFAS.

Would welcome your thoughts.

Best,  
Susan

Thank you Susan,

Great to hear from you, I hope all is well. I will be sure to include this in the packet of materials for our Board of Health members.

Best,

Natasha

Hi Natasha,

Please see the following notice on the recent ban of Artificial Turf Fields by the Board of Health in Oak Bluffs, Martha's Vineyard. This was voted on April 23, 2024.

<https://vineyardgazette.com/news/2024/04/23/oak-bluffs-board-health-bans-turf-fields>

Thanks,

Susan
